TOWN WARRANT

To the inhabitants of the Town of Belmont in the County of Belknap, in the State of N. H. qualified to vote in the Town Affairs:

You are hereby notified to meet at Community Hall, first floor, in said Belmont on Tuesday, the 10th day of March next at nine o'clock in the forenoon to act upon the following subjects:

(1) To choose all necessary town officers for the year ensuing.

(2) To choose one Selectman for three years, one Trustee of the Public Library for three years, one Trustee of the Trust Funds for three years.

(3) To see if the Town will vote to change the time of discussion of the warrant in 1959 to 1:00 p.m. on the Saturday after the second Tuesday in March.

(4) To see what action the Town will take upon the budget as recommended by the Budget Committee.

(5) To see if the Town will vote to allow a discount of 2% on all taxes paid within thirty days of presentation of tax bills.

(6) To see if the Town will authorize the Selectmen and Town Treasurer to borrow a sum or sums not exceeding in the aggregate $60,000.00 in anticipation of the collection of taxes for the current municipal year, and to issue in the name of and on the credit of the Town negotiable notes therefor, said notes to be repaid during the current municipal year.

(7) To see what the Town will vote to do with the income from the John M. Sargent fund.

(8) To see if the Town will vote to authorize the Selectmen to refinance and/or renew any loans which may become due during the current municipal year.

(9) To see whether the Town will vote to transfer all the powers and duties of the office of Collector of Taxes to the office of Town Clerk, in accordance with authority granted or as may be hereafter granted by the State Legislature, such consolidation of officers to be effective as soon as permitted by State Law, and to continue indefinitely until rescinded by proper action of the Town in accordance with State Law.

(10) To see if the Town of Belmont will vote to change the method of selection of members to the Budget Committee from the present system of appointment by the Moderator, to election by the townspeople each year at the annual meeting.

(11) To see whether the Town will vote to purchase land and build a fire station thereon, and authorize the Selectmen to borrow a sum not to exceed $12,000.00 and to issue in the name of the Town and on the credit of the Town negotiable notes therefor, said notes to be paid over a period not to exceed 10 years.

(12) To see whether the Town will vote to allow the Belmont Lakes Association to re-name the Shore Roads and erect road signs at no expense to the Town.

(13) To see if the Town will vote to abandon a strip of land beginning at a stone wall on the west side of old Route 106 and extending in a northeasterly direction to the approach of new Route 106. With the exception that a strip of old Route 106 from the Friend Road to the approach of new 106 be retained by the Town of Belmont for passing and repassing and abandoned by the State of New Hampshire on November 5, 1958 after relocating the new Route 106.

(14) To transact any other business that may legally come before said meeting.

Given under our hands and seals this 19th day of Febrary, In The Year of Our Lord, nineteen hundred and fifty-nine.

FLOYD W. WHITE
JOHN F. MOYNIHAN
THOMAS A. ROACH
Selectmen of the Town of Belmont

SELECTMEN'S REPORT

As we review the past year of 1958 we would call your attention to various improvements in the Town.

Town Hall

Considerable improvements have been made to the Town Hall since the Town purchased the building some years ago. Exterior has been recovered with fire resistance shingles, new offices have been installed and interior of building on first floor has been repainted. Only last spring the Belmont Winnisquam Lions Club sponsored a plan for redecorating the interior of the Town Hall on the second floor which was badly needed, together with their financial assistance and that of the Youth Council, Police Association, Fire Dept. Firemen's Auxiliary, St. Joseph Holy Name Society, Lawrence Grange, Friendly Club, St. Joseph Altar Society. Also individual contributions were made by the following citizens of the Town. Mr. and Mrs. Oakleigh Swain, Mr. and Mrs. Floyd W. White, Mr. and Mrs. Walter L. LeFrance, Mr. and Mrs. Auril R. Tasker, Mr. and Mrs. Stanley Judkins. Aiding in the actual work were members of the above organizations who worked evenings and Saturdays in order to complete the task in time for the School Parties in June. With the exception of the door that was installed at the entrance to the hall at the top of the stairs not a penny of the taxpayers money was used for the work. With the result that a fine piece of workmanship was accomplished with no cost to the town.

Civil Defense

We feel it fitting at this time to call your attention to the fine work that has been accomplished by our Civil Defense director Mr. David Ricard Jr., who has organized a group of citizens for this work in practically every detail which is very esssential to every citizen of the Town.

Highways

Our highways continue to show steady improvements and much credit should go to our road agent Howard Reed for this condition. He has also arranged with the New England Telephone Co. and the Public Service Co. of N. H. to have the brush cut along our highway and sprayed by them to destroy future growth after the brush has been removed or burned by our highway Dept. without any cost to the Town.

Plummer Road which was greatly in need of repairs has been widened, boulders removed, curves straightened and graveled, this has made a decided improvement on this road. Additional work will be continued again this year.

TRA

Work is progressing very nicely on *Plummer Hill Road* but due to insufficient funds work was not completed during the past year but will be finished during 1959.

Signs

Through contacts made by the Board of Selectmen with the State Engineer Mr. Sleeper, together with assistance from our local Rep. Mr. Lyle N. Watson and Don Gagne local merchant in the Town signs have been erected by the New Hampshire State Highway Dept. indicating Belmont business and residential district which we feel will be of benefit to the village.

REPORT OF BELMONT POLICE DEPARTMENT

For the Year Ended December 31, 1958

Your Belmont Police Department wishes to thank the people of Belmont for the splendid good-will and co-operation you have extended to us during the year just past. With your continued support, we look forward to providing still better service during the coming year.

During 1958, the Belmont Police Association was formed as a non-profit organization aimed at community welfare and improvements in the department. Officer David Ricard, Jr., was elected president; Chief Donald J. Leith, vice-president; Officer W. Harold Stropic, secretary-treasurer; Roland S. Kimball, activities chairman; and Earl Sweeney, public relations chairman. As one of its first acts, the Association began holding regular Saturday night record dances at the Town Hall for the teen-agers. These dances have been continued, because it has been found that they keep the youngsters off the streets and under supervision in their own town Saturday nights. A small admission fee is charged, and part of the proceeds are given back to the youths as door prizes each week. A hi-fi record player and records have been purchased with some of the proceeds from these dances. Aid was given to a burned-out family, a donation made for a banquet for the high school baseball team, and equipment for the department, including shirts, belts, holsters, handcuffs, and reflective safety belts has been purchased at no cost to the taxpayers through Association funds.

A monthly camp patrol along the shore of Lake Winnisquam during the winter season was instituted, and summer property owners have been given inspection placards to display in their windows. Besides answering 246 routine complaints, including broken windows, malicious damage, domestic difficulties, dog and cat complaints, etc., the department has been on regular duty Hallowe'en night, Old Home Day, and the major holiday weekends and Motorcycle Week, and at most of the high school basketball games and other events in the Town Hall.

Commissioner Frederick N. Clarke of the Motor Vehicle Department has presented the Chief with a Certificate of Achievement "in recognition of outstanding highway accident prevention activities and completing the year without a fatal accident." This recognition properly belongs to the people of Belmont, for their careful driving during the past year. There were 46 accidents in town during 1958, including 39 injuries.

Summary for the year follows:

Number of Complaints	246
Miles travelled	3,886
Number traffic accidents	46
Number injuries	39

REPORT OF FOREST FIRE WARDEN

You Can Help Prevent Forest Fires

Twenty-five percent of all forest fires in New Hampshire are caused from careless debris burning—brush, paper, leaves, grass, etc. Most of them are started without the required permit from the local forest fire warden. The cost of extinguishing these fires annually runs into large sums of money.

According to law, responsible parties must pay the cost of putting them out. In addition, violators may be subject to court prosecution with fines running as high as ($200) two-hundred dollars.

In the interest of fire prevention why not eliminate burning at home? Use your town dump. It has been set up for your personal convenience. It provides a suitable place for the disposal of dangerous inflammable waste material and other useless items which accumulate around the home and local stores; brush, etc. cut on your property. Eliminate the hazard of burning yourself. It will be easier for you—personally and financially.

If, however, you do burn on your premises:

1. Secure a permit from your local forest fire warden—the law requires it.
2. Be sure to properly supervise your burning. Don't leave it.
3. Make certain your fire is DEAD OUT before leaving it.

Save yourself much possible difficulty *Use your town dump*

REPORT OF HEALTH DEPARTMENT

For the Year Ended December 31, 1958

The water supply test in Belmont met approval of the State Department of Health again during 1958. Analyses still show a large amount of iron caused by a section of steel pipe running from the Pumping Station on South Road to the Chertok Farm. The town reservoir is still inadequate to take care of the large amount of water now being consumed by the town. The Hosiery Company now uses more water per day than the entire village used in the past. During the past, we have had one period when the reservoir was drawn down to a point where the solution to keep the outlet from freezing (kerosene) was drawing into the system, causing a bad odor and taste. There has been another similiar situation recently, but it was caught in time so as to cause only a few users to get kerosene in their water. Robert Leroux, our local waterworks superintendent, is making a study with different towns as to what they do to keep the valves from freezing in cold weather, other than the use of kerosene.

REPORT OF PUBLIC HEALTH NURSE

February 17, 1959

Board of Selectmen
Belmont, N. H.

Dear Sirs:

The health department, public health nursing section, reports detailed data concerning immunization clinics held in the town. As you know, thus far, I had not been able to hold such clinics in Belmont due to the fact that Belmont has no doctor in practice there. However, I am looking forward to having a series of clinics in the near future.

At the preesnt time, I am trying to locate several interested young mothers who would be interested in forming a "Child Health Committee". In most of my other towns we have such a committee or-

ganized and have conducted several clinics. I might add that without them, the clinics could not have been held.

Clinics are a very important part of my work, as the purpose of them is to prevent illness and moreover, to educate the parents as to the importance of completing immunization at the recommended time. These clinics are not intended to take the place of the family doctor's services, as we cannot hope to hold clinics every year in a town. It is best for parents, if they are able, to immunize their children at the ages and intervals recommended by their doctor. By waiting for clinics, many children contract the dreaded childhood diseases. Of course everyone is welcome to attend the clinics but I do want to emphasize the need for each family to have their children protected. In the towns I have succeeded in holding clinics, I plan to repeat the series every two years. Most families have this done by their family doctor, so that when we conduct a clinic, those children who have not been to a doctor have the opportunity to obtain protection. We also hope to immunize infants who have reached three months and preschoolers due for booster injections at this time.

My work as a public health nurse includes all nursing health problems with the exception of school-age children and TB nursing. I sincerely hope that if anyone has any questions or problems relating to health, that they will feel free to contact me.

I have made innumerable calls in Belmont during the year concerning the above categories, but a detailed report is impossible to give each town.

If there is further information I could give, please contact me. By next year, I hope to be able to submit reports of clinics in Belmont.

Office hours: 8:30-9:30 Mon.—Fri.
Friday 1:00 - 5:00 P.M.

Sincerely yours,

Virginia Comstock, R.N.

SCHOOL WARRANT

To the Inhabitants of the School district in the town of Belmont qualified to vote in district affairs:

You are hereby notified to meet at the Community Hall in said district on the seventh day of March 1959, at two o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officer or agent of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the baance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the district will authorize the school board to accept any equipment or teaching materials available under the provisions of Public Law 864, the National Defense Act of 1958.

10. To see if the district will authorize the Fact-Finding Committee and the School Board to continue the study of needed school expansion and report its findings at the next annual school district meeting or a special school district meeting.

11. To take any other action which may legally come before the meeting.

Given under our hands at said Belmont this twenty-sixth day of January 1959.

REPORT OF SUPERINTENDENT OF SCHOOLS

Belmont Schools:

Belmont, under the able leadership of the School Board, assisted by a citizen committee, has always taken proper action to improve local education. The School Board has always had the backing of the Selectmen, local organizations, the Parent-Teacher Association, clubs, and the people,—because action has been taken after careful study and analysis of alternative possibilities.

The Municipal Budget Committee has backed the wishes of the School Board and the people for improved schools, and has supported the erection of a new school, improvement of the high school, more courses of instruction, and the addition of teachers to maintain standards and take care of heavy enrollments of pupils. The School Board has expended every dollar of the budget with great care, to insure maximum return on the investment.

The School Board has always been willing and anxious to improve the schools. It has spent many long evenings of study and deliberation with the excellent Fact-Finding Committee and the representatives of neighboring communities to explore all the ramifications of the cooperative school district.

A study of the census clearly portrays the problems ahead for Belmont on school space, and complete information and vision will lead to the right decision.

School Improvements:

Many school districts are studying their schools as a result of the scientific developments of the Space Age and the terrific competition between our country and Russia. Doctor James Conant of Harvard has studied European schools with a special committee and some of their recommendations will undoubtedly affect every American high school.

A few of the changes as a result of the war between democracy and communism, and our efforts to stay ahead of Russia must be:

(1) A curriculum that will require in the high school (Grades 9-12) four years of English, at least three years of foreign language, four years of mathematics, three years of science, and three years of social studies, including two years of history for all pupils of college ability.

(2) A minimum schedule of four years of English, one year of mathematics, one year of science, two years of history, and three years of commerce, home economics, shop, or agriculture for all pupils not planning or able to attend college.

(3) All courses increased in requirements, the best discipline, and pupils unable or unwilling to learn to be allowed to leave school and find work.

The Belmont School Board has continued to save the town money with competitive bids on every article and service where possible. The new bus service represents good economy, modern buses and one of the lowest bids in the state for school transportation. Bids on school lunch supplies have thus far made it possible to operate without district appropriation. Surplus government property has been secured to help on tax reduction.

The general school supplies are purchased by competitive bids with the complete list of Giford, Gilmanton, Tilton-Northfield, Canterbury, and Belmont included and the large order involved makes for savings for every town.

I have enjoyed the meetings and contacts with Mrs. Suzanne Roberts, Chairman, Mr. Roland Kimball and Mr. Robert Bordeau on the present and future problems of Belmont. Mr. Roland Kimball was reelected Chairman of the Supervisory Union and has presided with the boards of five towns in several regular and special meetings.

May I express my appreciation to the School Board, Selectmen, Municipal Budget Committee, Parent-Teacher Association, Recreation Association, the Fact-Finding Committee, Principals, Teachers, Custodians, and Cafeteria personnel for their excellent cooperation.

It has been said that "our survival and success in the exciting years ahead will be influenced most effectively by the value system we as a people are willing to subscribe." I am sure that the people of Belmont will always put a high value system on education.

Cordially yours,

GORDON L. FOX
